Length & Pace of the Workshop	52.95%	47.05%	0%	0%	0%	0%	100%
Relevance of the Workshop to Delegates Current/Future Work	47.05%	47.05%	5.90%	0%	0%	0%	100%

### **Explanations:**

All the indicators taken into account have been positively assessed. The indicators with the highest scores were the Quality & Usefulness of the Presentations and Workshop Facilities and Location, followed by Pre-Workshop Information and Length & Pace of the Workshop.

### **How could this workshop be improved? For example, can you identify other relevant subjects we could include, as regards the children rough sleepers?**

Discussions with authorities to integrate these children in organizations, finding a job.  
How can the authorities be involved in fighting against this phenomenon  
Presentation of recordings with the target people  
Some success stories with street children who managed to escape from this environment  
I wish to receive information about the psychological profile of parents  
You should be able to find out details about the families of these children  
How to collect actual statistics on these children  
To have a continuation of the information presented in other workshops  
I am pleased with workshop  
I don't know  
How they can be helped by NGOs  
  
Focusing on a specific type of children and trying to solve the problems of these children  
Success stories with street children  
It would be interesting to find some parents of these children to be interviewed  
It would have been interesting if the workshop was based on the video (movies) with these street children.

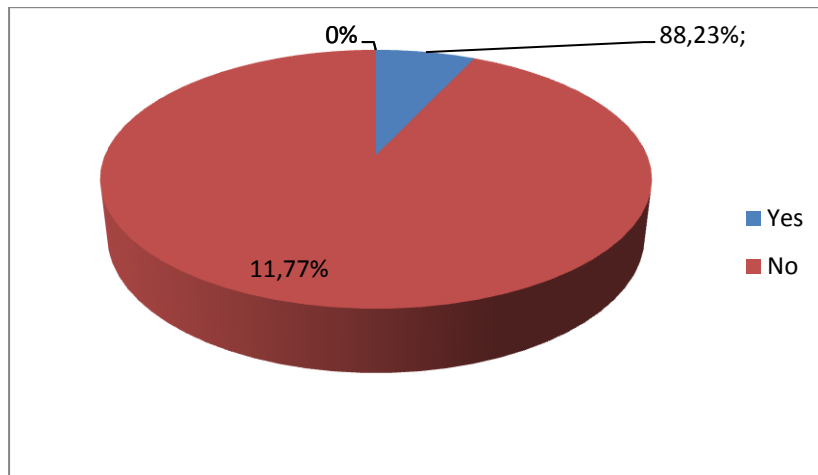

### **Any other Comments**

I don't have – 2 answers  
Everything was supper!  
Very interesting – 2 answers  
The workshop was very interesting.  
The discussion should have been wider.  
It would have been interesting if the workshop was longer.  
Congratulations.  
Very good organization.  
Very informative and useful workshop.

The presentations were very useful.

**Recommending This Training to a Colleague**

<b>Yes</b>	88.23%
<b>No</b>	11.77%

**Explanation:**

88.23% of the respondent professionals would recommend the workshop also to other colleagues.
